How do I determine which fiscal year?

Scenarios

1. Order/Service/Delivery Dates on or before June 30th then FY16 VOUCHER.
   Is the performance date or delivery date of the service on or before June 30th?

2. Order/Service/Delivery Dates after June 30th then FY17 VOUCHER.
   Is the performance date or delivery date of the service after June 30th?

The “voucher date” field controls the fiscal year

- When a voucher is entered after July 1, the system will prompt you with “07/XX/16 falls in a future fiscal year. Accept date? (Y/N).”
  - Create an FY16 voucher by selecting or typing “N”. Then type a June date (preferably performance or delivery date) in the “voucher date” field.
  - Create an FY17 voucher by selecting or typing “Y”. Today’s date will remain in the “voucher date” field.

NOTE: FY17 vouchers should not be entered prior to July 1, 2016. This includes subscriptions, registrations and dues payments.

Other Items

- Splitting Invoices across Fiscal Years
  All invoices or portions of invoices should be fiscal year specific. When a service period occurs in both June and July or when partial deliveries are made in both months the invoice must be split. It is possible to create two vouchers from one vendor invoice. Create one voucher to pay the FY16 portion of the invoice and create another voucher, with a photocopy of the invoice, to pay the FY17 portion of the invoice. Please cross reference the voucher numbers on the hard copy and in the comments section of the Datatel voucher in case they become separated.

- Travel Reimbursements
  Travel beginning in June and ending in July is paid from FY16 funds. Travel starting on or after July 1st is paid from FY17 funds.

- FY17 Requisitions
  Using a July date, FY17 requisitions can be entered on-line or submitted to Purchasing at anytime.
  Renewals of Services – To assure compliance with state regulations, all renewals of contracts and services that begin 7/01/16 must be submitted to Purchasing by 5/17/16.

- Purchase Orders (Regular and Blanket)
  All Invoices against FY16 Purchase Orders and Blanket Purchase Orders should be submitted by July 15th.
  All requests for FY16 POs with funding to rollover into FY17 must be received by July 15th.
  When the final payment is made on a Blanket PO, contact Mary Ellen Backlund mebackl@ilstu.edu to close the Blanket PO and remove encumbrances.

- June Reports
  June reports will constantly change until all activity is posted. Hopefully, there will be few changes made after August 1st. As in past years, the general ledger will officially close in October/November after the completion of the University’s annual audit.

- New Vendors
  To facilitate the payment process, contact Lauri Joynt, e-mail ljoynt@ilstu.edu, phone 438-5751, fax 438-8245, if the vendor is not in the system.
